## Public Notice

The City of Walker is in communication with State and Parish officials concerning the Public Health threat known as COVID-19.

On Thursday, April 2, 2020, Governor John Bel Edwards extended the Stay at Home order through Thursday, April 30, 2020. This action was taken because the COVID-19 outbreak in Louisiana has expanded significantly.

Mayor Watson continues to encourage our residents to comply with the directives issued by Governor Edwards concerning the Stay at Home order, in order to protect themselves and our community. The City of Walker will continue to suspend all regular governmental activities through Thursday, April 30, 2020.

The City would like to take this opportunity to remind our residents and utility customers that we have essential personnel on duty daily. The City also has personnel on standby 24 hours a day should an emergency arise. The City has taken steps to ensure all utilities are staffed and maintained to prevent service interruptions.

The City of Walker will continue to keep the community updated throughout this fluid situation. Facts and circumstances may change quickly, and we will regularly post updates to our website: [www.walker.la.us](http://www.walker.la.us)
