## Public Notice

The City of Walker is in communication with State and Parish officials concerning the Public Health threat known as COVID-19.

On Monday, April 27, 2020, Governor John Bel Edwards extended the Stay at Home order through Friday, May 15, 2020. We are expecting the Governor to give an update on Monday, May 11, 2020. We are anticipating the update will allow us to move into phase one of the CDC's guidance concerning "Opening Up America Again".

Mayor Watson continues to encourage our residents to comply with the directives issued by Governor Edwards concerning the Stay at Home order, in order to protect themselves and our community. The City of Walker will continue to suspend all regular governmental activities through Friday, May 15, 2020.

The City would like to take this opportunity to inform our residents and utility customers that we have essential personnel on duty daily, Monday through Thursday during regular business hours (6:30 am – 5:00 pm). These essential employees are conducting routine duties as well as responding to calls for service. The City also has personnel on standby 24 hours a day should an emergency arise. The City has taken steps to ensure all utilities are staffed and maintained to prevent service interruptions.

The City now has someone answering the telephone during regular business hours (7:00 am – 5:30 pm) Monday through Thursday to better serve our residents and utility customers. To contact the **Administration, Billing or Permit Departments call: 225-665-4356**. To contact the **Public Works Department call: 225-665-2467**. To contact the **Utility Departments call: 225-664-3123**. If you need assistance after regular business hours or on the weekend, please use the 24-hour contact numbers listed below.

The City of Walker will continue to keep the community updated throughout this fluid situation. Facts and circumstances may change quickly, and we will regularly post updates to our website: [www.walker.la.us](http://www.walker.la.us)
